## **Motions**

1. Abolishment of compulsory attendance  
The student parliament demands that the faculty councils abolish the compulsory attendance of all lectures. The attendance requirements for seminars, exercises and practical courses should continue to apply, as these are largely dependent on the participation of the attendees  
Amendment: lectures shall be available online
2. The studentparliament demands that appropriate washing rooms for the islamic college group shall be established. Amendment: washing rooms shall be available for all religious groups
3. The studentparliament demands that sufficient water fountains shall be installed on all campuses of the Saarland University.
4. Administration fee  
The universities board is obliged to inform each students parliament each term about the use of the adminstration fee
